Guests are picked up at the airport of Lombok or their accommodation on Lombok and transferred to the hotel in Senaru. Meet the trekking guide who will provide guidance so guests may better prepare for the trek.

Day 1:

Wake up at 6:30 and take breakfast. After breakfast, we take a leisurely 10 minute walk to the Rinjani Information Center where we register for the trek.

Trekking starts from the village of Senaru around 8:00 am which starts with a walk through dense tropical rainforest, full of local birdlife, flora and a huge variety of butterflies. After about 2 hours of walking, we will reach the post 1 (1300m), and another 40 minutes to Pos 2 (1500m). We will continue to Pos 3 (1800m) and have lunch there.

After lunch and a short rest, we will go to Sembalun Crater rim (2639m). It takes 3 hours including a prolonged steep climb. We will camp the night on the crater rim where you can enjoy the view of sunrise and sunset.

Day 2:

After breakfast with a beautiful sunrise, we leave Mount Rinjani and descend into Senaru village through the rainforest. If we are lucky, the rare Black Monkey will be visible. It takes 5 hours to descend to the village of Senaru.
